

Boys & Girls Club of Janesville Shamrock Run Sponsorship Request Form

Dear Partners,

The Boys & Girls Club of Janesville is a chartered member of a national movement that has served our nation's youth since 1860. The Janesville Club was formed in 1989 and began operating out of the trunk of a car. Since then, we have grown to serve hundreds of students from multiple schools and continue to expand our reach into the Janesville community.

Every day in America, 1 out of 4 kids leaves school with no place to go. There are 20 to 25 hours a week that children are out of school and risk being unsupervised and unsafe.

At the Boys & Girls Club of Janesville, we are actively nurturing the next generation of our community, ensuring that all children have access to a safe, positive environment during the critical hours between school and home... hours that can make a huge impact on a child's future.

Our goal is to make high-quality, after-school enrichment available to all Janesville youth—especially those who need us most. We serve an average of 70-80 youth each day, with nearly 500 registered Club members. 74% of our members receive free or reduced lunch (a measure of poverty); 41% come from single parent homes.

The Boys & Girls Club of Janesville was founded by a handful of community members who were passionate about expanding opportunities for youth. And with your support, we can continue to help the youth of our community grow and thrive!
